

ABC Healing School 2019
Semester 1 Module 6
Introduction to the Prayer of Affirmation
Homework Assignments

1. The Prayer of Affirmation (speaking the Word of God over yourself) is an essential understanding and spiritual habit that you need to learn well. If you have not yet received the manifestation of the prayer which you prayed for the Prayer of Faith in Module 4, then continue your Faith Action Plan by doing affirmations to thank your Heavenly Father for the answer.
2. Create affirmations according to the guidelines of Module 6 as part of your Faith Action Plan for any other prayer for which you are waiting to see the manifestation.
