

Levels of Healing for a Believer

Level	Healing Action	Reference	Move to a Higher Level
1	Ask the elders to anoint you with oil (you + 2 persons)	James 5:14,15	When the believer understands in his heart (WTBUIHH) that where two or more agree in the NOJ, it shall be done for them.
2	Prayer of Agreement (you + 1 or more persons)	Matt 18:19	WTBUIHH that whatsoever you desire, when you pray in the NOJ, believe that you receive them and you shall have them, so a partner is not necessary.
3	Prayer of Faith (you by yourself)	Mark 11:24 Rom 10:9,10	WTBUIHH that Jesus paid the price for his healing on the cross 2000 years ago and so there is no need to ask God today for your healing. The problem is the devil is trying to steal your healing.
4	Prayer of Authority (you by yourself)	Mark 11:23 John 14:14 Phil 2:10	WTBUIHH that demons/evil spirits are behind sicknesses and diseases.
5	Bind the demons of infirmity and cast them out of life, home or body. (you by yourself)	Mark 16:17 Matt 18:18	WTBUIHH that satan is the great deceiver and he is behind all sicknesses, diseases, death, demons and evil spirits.

Foundational to all five Healing Actions above is that they should be followed by affirmations and other actions of spiritual warfare.

Note: (1) The upward growth comes from “believing in your heart.” The Word of God is engrafted in your heart when you act on (or speak) it. Growth does not come from mental assent nor mental understanding. This means that, generally for most people, you must have been acting in faith and have achieved some success at a lower level before you move upwards.

It is important to note that one does not move upwards as a result of failure. After experiencing success on a previous challenge, one may choose to move to a higher level if, on a subsequent challenge, the time to manifestation seems to be significantly longer than on the previous challenges.

Note: (2) Once you attain a certain level, it may be necessary at times to act also at one or more of the lower levels, typically levels 2 or 4 (e.g., one puts 1000 to flight but 2 can put 10,000). In these instances, you are not re-praying for your healing but getting assistance in spiritual warfare. There should be no shame, guilt nor condemnation in going back to a lower level. These are all lies of the enemy.

The goal is to be set free from health challenges and it involves spiritual warfare; and in war there can be a give/take, an up/down, a victory/defeat BUT in Jesus, eventually, we always win if we do NOT give up.

Note: (3) What Pastor Joshua is doing today:

- For most challenges, a few affirmations to manifestation; but in rare cases, many thousands.
- Using affirmations as a way to break curses, bad habits, memories, etc.

Note: (4) As calendar time goes on, the relationship of the number of affirmations to the time to manifestation works like a bell curve. Initially, starts out with few affirmations resulting in a short time to manifestation; then, manifestation takes a lot of affirmations over a long period of time; eventually returning to few affirmations yielding a short time to manifestation. However, the percentage of success works more like a step curve. Starts gradually with some success, then levels off, then the percentage of success increases; then levels off; and the process is repeated until eventually all challenges are met with success.
