3. If the person accepts, then:
 - a. Read John 3:1-8,16 and Romans 10:9,10
 - b. Lead the person in the Sinner's Prayer.
 - c. In the Name of Jesus, speak healing to the person's body and command the sickness/disease to leave.
 - d. Have the person check to verify that the ailing condition is gone.
 - e. Tell the person to read the Bible daily and to go to a church which teaches healing.

4. If the person declines, then:
 - a. Make a bargain that, when Jesus heals the person, he or she will take that as a sign/wonder from God and will accept Jesus as Savior and Lord.
 - b. Read Mark 16:15-20.
 - c. Lay hands on the person and, in the Name of Jesus, command the sickness and disease to leave.
 - d. Have the person check to verify that the ailing condition is gone.
 - e. The speed, quality and quantity of the healing manifestation will be dependent on the number of times the ministeree has previously been exposed to and rejected the Gospel of Salvation and of Healing.
