

Sem 2 Day 5 Foot Washing and Prayer Line Instructions

A. Foot Washing:

- **From the returning students a number will be selected (6 to 8) based on level of experience and anointing to minister to the new attendees.**
- **The instructors will wash the feet of the selected returnees.**
- **The returnees will then wash the feet of the new attendees and rest of returnees.**

1. Washers:

- Each washing station will have 1 basin of lukewarm water and 3 towels (only use 1 towel per person). When washee sits down hand them a towel.
- After each person the basin of water is to be thrown out and replaced with fresh lukewarm water.
- Pray according to the laminated sheet. Be led of the Spirit but allow only 3 to 5 minutes per person.
- If a demon were to manifest, someone will be there to assist you.

2. Washees:

- At the conclusion of the ministry please take the used towel to the used towel receptacle.

B. Prayer Line:

- Put a hand on the prayees shoulder to prevent them from falling.
- Each alter call for prayer is specific. Your prayer for each person should be related to the particular topic. "In the NOJ I agree with the words of _____ that the hold of the sin of _____ (i.e., fear) has been broken in hisr life. In the NOJ I bind every demon, devil and evil spirit behind this sin and cast them out of _____ now". You may expound on this as the Lord leads but keep total prayer under 3 minutes.
- If a demon were to manifest, Pastor Joshua or other instructor will come and assist to determine to continue or stop the manifestation.
